

## Sample Pet Resume

**TOTO**, Dorothy Gale, owner  
Santa Cruz, CA 95060  
(831) 555-5555

### Description:

Toto is a friendly dog who loves people. He is a 35 lb, neutered, four-year-old black and white Lab and Border Collie. I have had him since he was a puppy and he is a cherished member of my family. If you have any questions about my dog, please ask.

### Training:

Toto has had obedience training through Monterey Bay Dog Training. He is fully housebroken and obeys voice commands. He does not bark excessively, although he will bark to alert us to strangers. He passed his official AKC canine good citizenship test with "flying colors."

### Activities:

Toto goes on frequent walks and loves to go to the beach for more vigorous exercise. He is very friendly with other dogs. He likes to play fetch and tug-o-war. After play time, he is contented and calm.

### Health/Grooming:

Toto is neutered. He is kept up-to-date on all vaccinations and receives regular health exams at the Mission Street Animal Clinic. I bathe and brush (both teeth and fur) him often. He has never had a problem with fleas because we use Frontline Flea and Tick medication.

### About Me:

As a dog owner, I have always acted responsibly. I pick up after him, take him out to play, give him love and feed him healthy dog food. While growing up, my family had 3 dogs which I helped care for. Dogs have always been a part of my life and I feel that my life is richer because Toto is in it. If I go out of town, either my sister stays with him or he goes to the kennel. I am committed to responsible, caring pet ownership.

My current landlord can be contacted at (831) 426-1234. Please also see attached letter of recommendation, American Kennel Club Canine Good Citizen Certification, and AKC obedience training certificate. I am so sure that Toto will be a "good tenant" I am willing to put up an additional security deposit.

I would be happy for any potential landlord to meet Toto, visit him in our current home, and once moved into our new home to check in to see how he is adjusting to his new surroundings.
