Requesting College Affiliation

Students accepting the offer of admission to UC Santa Cruz must complete the online acceptance process at my.ucsc.edu.

During the acceptance process you will be asked to indicate five UCSC college preferences. Review the information in this guide to learn about each of our colleges, including themes, programs, and college courses. You may also choose to indicate "no preference," as many students do, meaning you will be fine with any of our 10 colleges

After you have completed the acceptance process, and after the acceptance deadline (May 1 for freshmen; June 1 for transfers), the Office of Admissions will affiliate you with a college. The college assignment takes into account available space at each college and the preferences you have indicated.

Once you have been affiliated with a college, the Campus Housing Office will send you information about the housing options available to you and instructions for completing the online housing application/contract process.

Housing application periods open in mid-May for new freshmen and mid-June for new transfers entering in the fall; students admitted for the winter quarter apply for housing in late November.

Students interested in finding their own accommodations in the off-campus community are encouraged to use the resources available through the UCSC Community Rentals Office. Community Rentals maintains online rental listings to assist students in locating rental housing and serves as an information and advising resource.
