  - **New Students:** Complete the online process at [my.ucsc.edu](http://my.ucsc.edu) to accept offer of admission, indicate a preference for university housing, and submit all required advance fees (May 1 for new freshmen, June 1 for new transfers). Once affiliated with a college, submit a housing application/contract at [studenthousing.ucsc.edu](http://studenthousing.ucsc.edu) by the deadline issued by Student Housing Services (mid-May for new freshmen, mid-June for new transfers).
  - **Continuing Students:** Submit a "Fall" housing application/contract at [studenthousing.ucsc.edu](http://studenthousing.ucsc.edu) during the annual Priority Housing Application Period (mid-April) and participate in all required college/housing facility room selection activities (mid-May).

- ▶ Adhere to all *Terms and Conditions* of residence (conduct and financial contractual responsibilities).

The same practice applies to Regents Scholars, Karl S. Pister Leadership Opportunity Program recipients, and Smith Renaissance Society students. This includes new students who enter UCSC in winter quarter and live in university housing. A guarantee will also be extended to any continuing student living in university housing who is granted EOP status in any fall quarter.
