Failure to comply with a housing assignment or reassignment is a material breach of this agreement and may result in Student being denied the opportunity to participate in any future room change, and/ or termination of the housing contract.

5. **Communicable Disease:** If you should contract a communicable disease, you may be reassigned to quarantine or isolation housing until you are no longer contagious. Medical directives are contingent on public health conditions at the time of their implementation and are subject to change. S. Student Maintenance:

1. Student agrees to comply with local and university requirements to maintain residence unit in a clean, safe, sanitary condition consistent with Centers for Disease Control and Prevention guidelines available at:

3. Student agrees to bear the cost of the repair of any damage to or restoration of the building, equipment, or furnishings resulting from neglect or willful act of the Student, Student's guest(s), or other person(s) for whom the Student is responsible.
4. **Student may not perform or arrange for others to perform any repairs to damages** or any corrections of deficiencies in the premises whether during the Student's tenancy or upon the termination of tenancy. By agreeing to these terms and conditions, Student agrees that Student has been advised of said utility infrastructure work, acknowledges that there will be disturbances and disruptions during the contract period, and that such reasonable disturbances and disruptions are not grounds for cancellation of this contract. Student agrees to inform visitors/guests of University rules.
4. Students are not allowed to provide housing to the same visitor(s)/guest(s) for more than three **(3) consecutive days** without **prior written permission from University** and their roommate(s)/housemate(s); and may not provide housing for visitors/guests for more than a total of fifteen (15) days during one academic year. Visitation for more than three (3) consecutive days (or fifteen (15) days during one academic year) may result in a **\$100.00 per day charge** to the hosting resident(s).
5. **Any resident may request a visitor/guest to leave** pursuant to University policy.
6. **Persons who have had their university housing contract canceled or have been evicted** from any university housing residence **may not stay in residence as a visitor/guest**.

V. UC Santa Cruz Dining

A. A Slug Points Meal Plan is required for all Summer Session residents living in the residence halls. This plan provides Student with an allocation of Slug Points based on the length of residency (each Slug Point has a dining value of \$1). Slug Points can be used in any open UC Santa Cruz Dining location. Slug Points are valid from the first day of the contract period through the last day of the contract period. **Slug Points are non-transferable, non-refundable, and do not carry over to the academic year.**

B. UC Santa Cruz Dining Policies

1. **First and Last Meals and Dining Regulations:** Dinner will be the first meal served in the campus dining halls on the day residences open for **the contract period**. Breakfast will be the last meal served on the final day of the contract period.
2. **Dining Locations:** Students may use Slug Points in any open UC Santa Cruz Dining location. University reserves the right to open or close each dining facility throughout the summer as demand may warrant. Alternate dining schedules will be used for all holiday periods.
3. **Student ID:** Students must show proper UCSC identification at every purchase. Student identification and privileges are non-transferable. Access is by card swipe only. Lost cards must be reported immediately.
4. **Misuse:** Misuse of Student's dining plan or ID card may result in the card being confiscated, and a forfeiture of the dining plan with no refund. Student may also be subject to disciplinary action.
5. **Guests:** Student may bring a guest into the dining hall utilizing Slug Points.
6. **Unused Slug Points:** Unused **Slug Points will expire on the last day of the contract period**. Slug Points are non-transferable, non-refundable, and do not carry over to the academic year.

Dietary Needs: UC Santa Cruz is committed to access and inclusion in its campus programs and services. Dining Services works in close partnership with students and the Disability Resource Center (DRC) to ensure equal access to UC Santa Cruz Dining facilities. Students with medical and/or disability related concerns regarding food and dining access are encouraged to meet with a dining hall manager. Dining hall managers are knowledgeable about the food options available and can recommend which foods will work with specific diets.

Students whose food access needs are not met by dining hall managers are encouraged to meet with Dining's Food Safety and Nutrition Specialist. The Food Safety and Nutrition Specialist works with students to discuss their specific needs and determine how to best address the concerns. Accommodations to dining services may require collaboration between the student, dining staff, and the Disability Resource Center, and documentation from a qualified professional to be considered.

VI. Termination and Modification of Contract

A. Cancellation or Termination by University: This contract and all rights of occupancy hereby conferred may be terminated by University under the following circumstances:

1. Given written **three (3) days notice** if Student fails to comply with any term or condition of this contract.
2. Given written **three (3) days notice** if Student fails to make the required payments when due, fails to maintain the required student status, or breaches any term of this contract. (Continued delinquency in payment may result in lapse of Student status.)
3. Termination of contract by University may result in denial of housing at all UC Santa Cruz housing facilities, on or off campus.
4. University may terminate this Contract and all attendant rights of occupancy upon 30 days' notice to Student.
5. University may terminate this Agreement with less than thirty (30) days notice if the University reasonably determines that (i) termination is necessary for safe operation of its housing program, including but not limited to the need to take preventative or mitigatory action regarding emergencies, natural disasters, disruptions by third party agencies, and/or the spread of infectious disease; and (ii) termination is necessary for compliance with an order of a public health agency.

B. Request for Cancellation or Termination by Student: Requests for cancellation of this contract by Student may be granted under the conditions listed below:

1. Student is academically barred, **withdraws** from Summer Session, or takes a **leave of absence** for verified academic, medical, financial, or military reasons.
2. Student is registered and engaged in a **program of study** which necessitates residence **outside Santa Cruz County**.
3. Student receives University permission due to a verified hardship resulting from **a significant financial, medical, or personal situation**.

C. Approval of Cancellation or Termination: University must approve in writing all requests for housing cancellations with an official termination date before Student may be considered released from this contract. **Moving out or turning in keys without official approval does not constitute termination of this contract.**

D. Cancellation Fee: A **\$350.00 cancellation fee** is ordinarily charged to Student if University approves a cancellation request or if University initiates cancellation due to Student failure to comply with any term or condition of this contract.

E. Contract Modification: This contract may be modified due to extraordinary circumstances, as determined by University, only upon mutual agreement of Student and University. Any such modification(s) shall be recorded as amendment(s) to the contract by the Campus Housing Office.

F. Vacating Residence:

1. Upon termination of the contract, Student agrees to **surrender the premises to the University by 12 noon on the termination date**.
2. Student shall be individually liable for the **removal of all property of the Student**. Any Student property left in the residence after termination date will be deemed abandoned, and the University may take possession of and dispose of such property in any manner it deems appropriate in accordance with University regulations and applicable law, without any liability to the University whatsoever.
3. Student understands and agrees that the **Student remains responsible** for the premises, fixtures, furniture, and for paying **the full residence rate until all keys are returned to the University and notice is given that the residence has been vacated**.
4. **Move-out:** Upon termination of the contract **University will conduct an inspection of the premises** and will assess damage and cleanliness based on examination of the room/apartment at the time of the inspection. **Student may choose to be present** during the inspection or select an express check-out. If Student selects an express check-out it is understood Student agrees to waive any right to be present at the check-out inspection and Student agrees to be held financially liable for necessary cleaning, the repair of any damaged item, and/or the replacement cost of any item lost, missing or damaged beyond repair. Student understands that by selecting an express check-out any right to contest/appeal cleaning,

damage, or replacement charges is waived. It is recommended that Student follow the standard checkout process if concerned about damage responsibilities.

G. Waivers: Any waiver or non-enforcement by University of any term or condition of this agreement shall not constitute a waiver of any subsequent breach of the same or any other term or condition of this agreement. Acceptance by University of any rental payment after Student's breach of any provision of this contract agreement shall not be deemed a waiver of such provision or any prior or subsequent breach of any provision, other than Student's failure to make timely payment of the housing payment so accepted, whether or not University knew of the prior breach at the time such payment was accepted.

H. Housing Appeals Process: In the event that a request for cancellation is denied at Student's assigned University residence, Student may request a review by the Housing Appeal Board.

VII. Payment and Refunds

A. Advance Housing Fee

1. A \$150.00 advance housing fee is required in order to apply for University housing.
 - a. **Students** may submit an online application with a deferment of the \$150.00 advance housing fee.
 - b. If Student accepts occupancy, the advance housing fee, when paid, will be applied to the residence rate.
2. **Reserved Housing Space:** If Student elects **not to take occupancy** of a reserved housing space, University, according to the schedule and circumstances set forth below, shall **retain the advance housing fee** and assess any applicable late cancellation fees. Student agrees that the actual damages for Student's decision not to or failure to take occupancy are extremely difficult or impractical to determine, and that the amount withheld constitutes liquidated damages.
 - a. **Notification of Cancellation:** Student must log-in to studenthousing.ucsc.edu and cancel application/contract for Student's reserved housing.
 - b. If cancellation is completed on **or before June 1, 2023, \$100.00 will be billed** (\$50.00 will be refunded if the advance housing fee was paid).
 - c. If cancellation is completed after June 1, 2023, Student will be billed for the **\$150.00** advance housing fee.
 - d. Students with **deferments will be billed** for the advance housing and any additional late cancellation fee as noted above.

3. **Waiting List:** If a Student is no longer interested in remaining on a waiting list for university housing, it is the responsibility of the Student to cancel the wait list application prior to being assigned a space.
 - a. **Notification of Cancellation:** Student must return to **studenthousing.ucsc.edu** to cancel a wait list application.
 - b. **If the \$150.00 advance housing fee has been paid**, a full refund will be given if cancellation is completed prior to University assigning a housing space.
 - c. **If the \$150.00 advance housing fee has been deferred**, deferment will be canceled with no charge if cancellation is completed prior to University assigning a housing space.

B. Residence Rate

1. **Proration:** The residence rate is charged in advance of each summer session term.
 - a. If Student takes **occupancy** after the date Student was scheduled to commence occupancy, **no residence rate adjustment** shall be made.
 - b. A rate adjustment shall be made if Student takes occupancy after the start of the summer term, as long as **Student was scheduled to commence occupancy on the later date** or such late occupancy and residence rate adjustment has been approved in writing by University.
 - c. If Student obtains University approval of a request for cancellation, Student's residence room rate shall be prorated based on length of residence. Minimum fee shall be equal to the advance housing fee. Any adjustment to the dining plan rate will be based on actual usage. Student may also be charged the standard contract cancellation fee. Student will also be liable for any other costs incurred by the University as a result of cancellation, unless and to the extent that a replacement Student is assigned to the same space and/or the University has waived such liability in writing.
 - d. **No rate adjustment** shall be made for termination occurring **during the final two weeks of any summer term**.
 - e. If **University initiates a termination** of this contract, Student's residence room rate shall be prorated based on length of residence. Any adjustment to the dining plan rate will be based on actual usage. Student may also be charged the standard contract cancellation fee.
2. **Abandonment:** A portion of the residence rate (room and dining) may be refundable if the contract is terminated for causes pursuant to Paragraph VI. In the event Student abandons the residence, Student shall be liable for the full residence rate for the balance of the contract period, as well as any other costs incurred by University as a result of such abandonment,

unless and to the extent that a replacement Student is assigned to the same space and/ or University has waived such liability in writing. In the event the University determines the Student has abandoned the premises, the University may re-enter and take possession of the residence.

3. **Payment of Housing Charges:** The residence rate is due and payable according to the attached schedule. A breach of this contract by Student, including but not limited to delinquency in payment, may result in any or all of the following actions: suspension of contracted meals, a hold on enrollment and/or financial aid, and termination of the right of occupancy.
 - a. **UCSC accepts credit card, e-Check via MyUCSC Portal (my.ucsc.edu), cash, check, Western Union, or Moneygram.**
 - b. Cashier's checks, personal checks, or money orders are **payable to "UC Regents"**, and can be mailed or submitted in person at the **SBS Financial Service Center**, University of California, Santa Cruz, 1156 High Street, Santa Cruz, CA 95064. **Do not send cash.**
 - c. **Financial aid recipients** must make arrangements directly with the Campus Housing Office for payment.
 - d. **Returned Checks:** After two instances of personal checks being refused payment by Student's bank, Student may be required to make future housing payments in secured funds (cash, cashier's check, or money order).
4. **Programming:** A variety of educational enrichment opportunities and co-curricular programming are included in the residence rate.

Billing and Payment

Each student has a university billing account with UC Santa Cruz and a billing statement is generated each month there are charges due on their account. Students can view billing statement information and account activity online through the MyUCSC Portal (my.ucsc.edu). If Student's parent/guardian will be paying their housing charges, Student can grant them access to billing statements and give them the ability to make payments on their behalf. Visit sbs.ucsc.edu for more information about granting parent/guardian access.

Payments must be made within each term's payment deadlines. Students may request a **payment plan** tailored to meet their individual needs – delays in financial aid disbursement, employment pay schedule, etc.– by contacting the Campus Housing Office **before their first payment deadline**. Monthly payment plans may consist of fewer payment installments in instances when a student is assigned to housing after the first bill of the Summer has been generated.

Late Payments

The residence rate is due and payable according to the published payment schedule. The due date is not a postmark deadline, so please allow sufficient time for mailing.

It is your responsibility to keep the **Campus Housing Office** informed of any payment delays—no matter what the source of funds (financial aid, outside scholarship, personal funds, etc.). A deferment of the due date may be approved if you contact us prior to the payment deadline.

Delinquency in payment may result in a hold on your enrollment, preventing registration in classes. Once the hold has been placed on your account, all past due charges must be paid in order to release this hold.

A breach of this contract including but not limited to delinquency in payment may result in the University taking action to terminate this housing contract and the termination of the right of occupancy.

In the event of cancellation, expiration, or termination of this housing agreement, any remaining unpaid housing charges may become subject to further debt recovery and collection efforts.

Financial Aid Recipients

If Student receives financial aid, most aid award(s) will credit directly to their university billing account once all the conditions for aid disbursement have been met. Financial aid awards credited to the student account will be applied to tuition and registration fees first, and any remaining awards are then applied to university housing and dining charges. Contact the Financial Aid and Scholarship Office at **(831) 459-2963** with any questions regarding conditions for aid disbursement.

NOTICE: Information about Bed Bugs

Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

Bed bugs can survive for months without feeding.

Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

In the event you discover or suspect a pest problem, immediately seek University assistance by placing a work order (ches.ucsc.edu/cruzfix).

This contract is an agreement between a University of California, Santa Cruz student, hereinafter called "Student," and the Regents of the University of California, hereinafter called "University." Unless specifically amended below, all Terms and Conditions of residence agreed to as part of the summer housing contract are incorporated in this amendment. This legally binding contract is valid for the entire term of this contract, as noted below, and is non-transferable.
